#### THE PRESIDENT'S MESSAGE

Well as the 1999 season closes I would like to take some time and reflect back on the year. The membership continues to slide downward over the 1998 season. Twin Falls tournament directors Harry and Marge Chapin come on strong for the association. There are not only two tournaments in their hometown but they have taken over the Jackpot tournaments. They also upgraded the newly installed courts and brought them up to spec.

Berle and Leona Riese may have run the last tournament in Fairfield as they appear to be stepping out of the tournament director's position. We do hope that somebody will step in and fill their shoes.

The Dave's Wood Works Open tournament held in July was a great success. Total prize money given away was Two Thousand and Five dollars. All pitchers's received money regardless of how they finished. I would again like to thank the following for their contributions: Gary Oppen (The Lube Center), Rick Rebman, Overland Lumber,

Pennzoil, James VanGorder, Judy pope, Handmade by Dorothy's and Jodie Nichols.

The World Tournament was held this year in Greenville, Ohio. Two pitchers, Gary Kollmann and Alma Clark represented Idaho. Gary finished 10<sup>th</sup> in his division while Alma finished 12<sup>th</sup> in his.

The 1999 State Doubles was held in Pocatello this year. Eighteen teams were present for three six-player double round robin schedules. After the first round had completed lunch was served followed by the second round. It was a great tournament and fun for all.

The 1999 State Singles tournament was held in Salmon with a lower than expected turnout. Only forty-five pitchers were present this year, which is the lowest turnout in many years. The championship division winner's included Linda VanGorder, Don Moser, and Charlie Ault.

The State meeting this year included a couple of positive changes. The first is that we will now have a single statewide handicap system to use for any tournament that is to be handicapped. The DUTCH handicap (which is the percentage spread only) will be used throughout out the state. The next change was the implementing of a voting ballot. Jim Price made the motion for this and I think Jim out to be commended for this. I am sure this will prove to be very beneficial. The voting ballot will be sent out in the first 4-dead issue of the year 2000.

There was also news presented from Don Heidt that the new pitching complex in

Kellogg will be ready to host tournaments next year. I also have been shown pictures of the modified courts in Coeur d' Alene.

We had only one officer change this year, which was the First Vice Presidents position. Al Lee has been elected to that position (I'll try and keep him active). I would also like to thank Jim Price for his time and contributions during the last two years.

The tournament director of the year award went to a very active couple in our sport. They were very deserving of the award and I would again like to thank them for all they have done with our sport this last year. A congratulation again goes out to Harry and Marge Chapin.

In closing I would like to thank all the tournament directors and the people that have helped them out through the year for a successful season. May all of you be blessed in the New Year?

Good Pitchen,  
David Spears,  
I.S.H.P.A. president

Message from Don Heidt:

Silver Valley Horseshoes:  
One of the items in a 1997 decision by the Kellogg City Council to upgrade and improve Memorial City Park in Kellogg, was to move the Horseshoe Courts to a newly created Greenbelt area where the railroad tracks formerly laid.

The Silver Valley Horseshoe Club (SVHC) started league play on the existing courts in Kellogg, then moved the Wednesday evening league to Pinehurst where the four

permanent courts and two temporary courts fulfilled the needs to complete league play.

The 14<sup>th</sup> annual Silver Valley Classic was held at Coeur d' Alene's Winton Park for 1997. A low number of participants entered that year.

1998 saw the start of new horseshoe courts in the greenbelt and grants were applied for to build a director building and fence the court area. League play for 1998, was again held in Pinehurst, no tournaments were held.

1999 saw the completion of concrete work for twenty courts that included 30-foot platforms in the new Greenbelt area by the City of Kellogg.

A club decision was made not to use the new courts until all landscaping was completed, so 1999-league play was held in Pinehurst and no 99 tournaments. The grant dollars were able to build a directors building shell and place a chain link fence around the area.

As funds can be obtained in the future the completion of restroom facilities in the directors building would be in line.

The area is still in need of some additional landscaping and grass, which the City of Kellogg indicates they will complete.

The SVHC is alive and well and plans to hold the Stormin Norman powwow and Silver Valley Classic are on line for 2000.

Plan to attend!!!!

Respectfully yours,

IDAHO FALLS CLASSIC
