

FOUR DEAD!

Vol X. No. 2

July 2001

Jonell Goss, Editor 208 642 2040

President's Message:

Hello to all, Wow, can you believe it is nearly at the half way point of the season already. At the time of writing this message, I have been to six tournaments already and have had 5 league nights here in Boise. My league is doing rather well this year, it is up about 75% over last year with still new people coming out every week. I have been told that things are picking up in the northern section of the state as well. How is your area doing? Are you getting the word out about horseshoes and promoting this great sport of ours?

I have to share with all of you an experience I had earlier this year. I took a communications class here in Boise at BSU. All classmates had to give an information speech on the topic of their choice. I chose to talk about (you guessed it), horseshoes. My speech included how the sport originated, how it progressed over the years, and where we are today with it. Somehow, I was selected to speak in front of about 200 people at BSU for a speech contest night. It was a great opportunity to share with people who have [never] played the game [some] information about how it got started along with other information most of them didn't even have a clue about. I also handed out little business cards I had made up about horseshoe pitching. Well a few weeks ago I was invited to a bowling banquet (because of sponsoring a team) and ended up meeting the great grand-daughter of the very first world tournament champion (Frank Jackson). As you can see, my year has been rather exciting.

Now, on to other information. As some of you have probably already heard, Rupert is no longer on the schedule for this year. Buck Walker contacted me after talking to Bonnie Stutzman and decided to cancel the tournaments they had scheduled, which included the State Singles Tournament. Jim Price of Pocatello was contacted to see if they would be interested in running the State Singles over there, and they accepted. They will also be holding the Warren Stutzman Memorial there as well, which will be a sanctioned tournament. I would like to

thank both Buck Walker and Bonnie Stutzman for all the years they have been involved in the sport, and all they have done for the sport. I would also like to thank the Pocatello club for picking up these two tournaments.

The World tournament is quickly approaching us, and Idaho will be represented this [year] by three people: myself, Gary Kollmann, and Gary Opper. All three of us are hoping to represent Idaho well by bringing back three trophies, so please wish us luck.

At this years annual meeting, the results from the ballot forms will be given on the topics that all of us voted on. If there are others that have not sent in their ballot form as of yet (about half the membership), please do so ASAP. Remember, every vote counts, even yours.

We also have two officers, whose positions are up for election and/or re-election this year. They are: the Secretary/Treasurer, and the First Vice-President. If you feel you are qualified for either position, please feel free to have somebody nominate you. While we are on this topic, starting next year, I would like to have people submit information to the editor to publish in the second newsletter of the year with their desire and qualifications for running for a particular office. I hope I don't ruffle any feathers on this, but I think the way we are nominating people for office now is a shotgun approach. I think that we ought to be more organized and have qualified people submit information to the editor for print with the intent of running for a particular office and state what their qualifications are as well as their desire for doing so. This is just my opinion. We'll see you down the road, and good pitching to everybody out there!

David Spears, ISHPA President. XXXX

Hello from the north...(Coeur D'Alene)

There have been some changes in northern Idaho. A group of us horseshoe pitchers held a meeting and decided to start the club up again. Jerry Bengsten was elected President, Bill Rust as Vice President and Carlana Shove as Secretary/Treasurer.

"...we would like to let everyone know that CoeurD'Alene has re-formed the club, called Kootenai County Horseshoe Pitchers Association, *K.C.H.P.A.* Many hours and lots of work done by the members has the pits looking really good. Our first tournament for this season was *the Elmer Currie Classic* held on May 20th and we had a good turnout. We served lots of food, had drawings for prizes and a 50/50 money drawing. The club has shirts that we proudly wear and we are having some non-sanctioned tournaments called partner switch. In partner switch, each game you will have a different partner but your score counts for you. It goes by wins and points, pays three places and costs you only \$5.00. It is open to the public. By doing this we hope to get people interested in pitching and increase our membership. We are also encouraging young people into trying and get more kids involved in good clean fun. We have another tournament in July, and we invite everyone to come on over. We do have some RV parking at the pits (no hook-ups) and we welcome all. For intent to pitch or just to chat, call Jerry Bengston @208-664-2749 or Carlana Shove @ 208-772-5516 or Bill Rust @208-664-8314. So come see us, HEAH! See ya, Carlana."

XXXX

EASTERN IDAHO STATE FAIR

Tournament (submitted by Don Moser)

The Eastern Idaho state Fair horse shoe tournament on September 6th (Thursday) 2001 starts at 5:00 p.m. There will be a blind draw doubles with a \$10 entry fee per person. Entrance fees must be paid to Don Moser 543 Main Street, Inkiom, Idaho 83245 no later than September 4th 2001. Phone: 208 775 3643

All money returned as prize money. Three places will be paid in each eight team divisions. XXXX

Editor's Corner:

While not wishing to add too much to the first newsletter, I wanted to add a note from the "editor" this edition. It has been nearly one year now for my association on the "fringe" of the horse shoe tournaments and/or league nights, and may I just say THANK YOU! It is a most wonderful opportunity for getting to know a lot of very nice people. I am grateful for the opportunity.

Tom and I had the opportunity of visiting Houston, Texas last February and while there took in a tournament (closed) being held in the Astrodome! It was fascinating and fun! There were bitty kids and big kids and adults and lots of folks. There were trophies and loud speakers and it was indoors! Wish all of you could have been there, and surely wish all could have participated, but, alas, it was a tournament open only to those Texans!! Friendly folks, though, just like here in Idaho.

Editor: Jonell Goss
