WORLD TOURNAMENT COMES TO POCATELLO, IDAHO
IN 2004!!!

The Presidents Message

With the 2003 season in the books we now can look forward to a relaxing holiday season just ahead of us. I would like to mention of a new change that will take affect in the 2004 season for those of you that were not able to attend the annual meeting in Boise this year. We voted in, that in order for you to receive the 4-dead newsletter for the 2004 season and beyond that each household shall now pay \$5.00 per year. The newsletter fee can be paid along with the membership fee which also goes to Marge. The membership fees will stay the same at \$17.00 per person with the exception of juniors who will pay the \$6.00 fee. We also voted in that the state charter add another \$250.00 in donations on top of the already \$250.00 that was proposed on the voting ballot form that was issued out in the first newsletter of the 2003 season. I personally raised \$407.00 for the bi-plane and painting raffle that I had taken to all the tournaments that I attended. At the state annual meeting we were able to give the Gate City Horseshoe Pitcher's Association a total sum of \$907.00. If you have not had the chance to donate to the 2004 world tournament and would like to do so, you can still make out a check payable to "2004 World Tournament" and send it to Bobby Faulkner.

As a lot of you heard I had a ruptured appendix the weekend before the state tournament. This was very frustrating on my part not only did I not get to pitch in the tournament but I also did not do all of the duties that were required to run the tournament. Fortunately when you have friends around you that know how to run tournaments and do other work associated with running tournaments things go a lot easier that you originally think that they would. I would like to not only thank my wife for her support through the recovery portion but also for her help with the tournament. I would also like to thank Joe Campbell, Gary Kollmann , Gary Opper and Jonell Goss for their help as well. Without these people the tournament would not have taken place this year. Speaking of the state tournament I would also like to recognize the winner's of each of the classes.

A-Men's Gary Opper

B-Men's Ron Samora

C-Men's Willie Baldry

D-Men's Jason Hall

E-Men's Clyde Cobbley

Men's Elder Class Don Moser

A-Women's Tina Samora

B-Women's Nanette Spangler

Congratulations to all of you and to all of the other's that placed in the tournament. The 2004 season is not too far away and if you still plan on pitching in the world tournament but still do not have the required 4 tournaments, Boise will have at least one in the spring before the entry deadline for the world tournament, you may have to travel out of state to meet the needed 4. Pocatello hosted many tournaments this year to try and accommodate everybody so there was no real lack of tournaments.

On another note I would also like to ask all tournament directors to try and get with Marge Chapin on setting up your tournaments for next year as soon as possible. Some directors have already turned in dates for the 2004 season and Marge needs to be contacted so no overlapping of tournaments happens. The 2004 membership cards are also available through Marge. One last item I would like to mention is that our previous newsletter editor, Jonell Goss has decided not to undertake the task any longer. I would
