Summer 2019

## President's Message

Hello to all! I am starting this summer edition of the newsletter with some very sad news, Jerry Smith lost his wife Diane of 53 years on July 14<sup>th</sup>. Jerry, we are all here to support you. Diane would go out of her way to help anyone in need. We bought a dress for Mikaela for her Senior

Prom; the dress was bought late and needed altering as it didn't fit her as well as she would like. A few days prior to Prom, Diane stayed up late and altered the dress to Mikaela's liking. That is just one example of how Diane would go out of her way to help anyone in need.

The summer has been going by fast, we have had 23 tournaments in the state so far this year. It looks like most of the tournaments have averaged between 8-20 pitchers. State Doubles had 18 teams for 36 total pitchers. Gary Opper's money tournaments had 27 and 30 pitchers on this two-day tournament, including seven pitchers who had an entry level of 60% or higher in Opper's tournaments!! Some of the best pitchers in the World were pitching in Idaho!! My thanks to all of the tournament directors who ran these 23 tournaments; it takes a lot of work to administer tournaments.

We have some big tournaments coming up in the nth of August, the biggest one being the State Singles Tournament which will be in Pocatello at Ross Park on August 24<sup>th</sup>-25<sup>th</sup>. The registration deadline for signing up for state will be Thursday, August 22<sup>nd</sup> by 7:00 pm MDT. The cost to play in state singles is \$20. Please sign in by 8:30 Saturday morning so we can start pitching at 9:00 am. The state Annual Meeting will be Saturday at the lunch intermission. Since this is an odd-numbered year, we will elect a First Vice President and a Secretary/Treasurer to two-year terms.

The pre-state warm up tournament will be Friday, August 23<sup>rd</sup>, sign up at 6:00 pm, pitching will start at approximately 6:30 pm. Cost will be \$5. No pre-registration is necessary for the warm up tournament.

The other big tournaments are the Winnemucca (Nevada) Horseshoe Tour tournament on August 17<sup>th</sup>-18<sup>th</sup>. This tournament has a great structure with lots of prize money. This tournament has a unique structure in that the better you pitch on Saturday the higher you will be ranked on Sunday. Then the higher your ranking, the more prize money you can earn. The other big tournament is the Pacific Northwest in Kennewick, Washington on September 14<sup>th</sup>-15<sup>th</sup>. I enjoy this tournament as you get to pitch with different players throughout the northwest.

Keep Pitching those Ringers!

## Dollars and Sense

As I write this, Pep and I are at the World Tournament in Wichita Falls, Texas. It is very hot and humid here. Our state has five players competing: Gary Opper, Doug Palmer, Brian and Melanie Poole, and Pep Plummer. I don't pitch in World, but I do keep score and help with any other chore they need me to do.

I need to tell you that our membership is down. A LOT this year. Last year we had 88 members, and thus far this year we have 79 members. We are losing a few people each year; we need to build our numbers back up. Kay Keskinen and I have reached out to pitchers through email, letters, and personal contacts. Let's all try to get one new

person to join us. In the Treasure Valley we have a league every Tuesday to which we have invited several people to come pitch with us and try it out. Gary Kollmann has brought several people to pitch and give us a try. With his invites he has gotten 3 new members!

Besides being the ISHPA secretary/treasurer, I also am the association's Statistician, so let me switch hats here to stats. All Tournament Directors need to get the latest averages from the NHPA NATSTATS web site prior to their tournaments to set up the classes. Once a tournament is over, it is important to have all tournament stats turned in to me no later than three days after the tournament. So, if tournament is on a Saturday, I would like to have the stats by the following Tuesday. The NHPA updates the NATSTATS every Wednesday evening so that the latest ringer averages are available when setting up the next tournament. I thank you in advance for helping to keep the NATSTATS up to date.

Our State Singles Tournament is Saturday and Sunday August 24-25 in Pocatello. To pitch in State Singles, you must have pitched in two sanctioned tournaments or leagues. You must have your last name on the back of your shirt, and no open-toed shoes are allowed. The fee is \$20.00, which you can pay (we prefer cash) at the tournament sign in Saturday morning. To register for State Singles, you must call Rodney Pickering or me by 7:00 pm MDT on Thursday, August 22. Rodney's phone is 208-830-9694 and mine is 208-484-4685.

And I want to add a personal note of sympathy to our former member Jerry Smith whose wife Diane passed away on July 14. Diane was also a member of our horseshoe pitching family, we send Jerry and his family our condolences on their loss, and we will keep Jerry in our prayers.

That's all for now. I hope to see you all at State.

Carol Plummer

## Hall of Fame Report

It's my honor to serve as the chairperson of the Hall of Fame (HOF) Committee. We induct members into our Hall only every other year, and we are due to hold inductions in 2020, the year that State

Singles will be held in the most beautiful part of the state, in Coeur d'Alene. The committee is currently reviewing potential candidates, but it's too early to give away much information. If members want to nominate someone, please contact me and I will explain the requirements for induction and how the process works.

While on the topic of process, the committee members are currently reviewing our HOF procedures. We recently realized we should have a nomination form so that the requirements for consideration to be in the HOF are clear to those nominating someone. Once we get a nomination form completed, we will examine the HOF Guidelines as well to see if they need updating. We've now had several years of operation of the HOF, so a regular review of our processes and documents is in order. I will share the results of our work in a later newsletter article, and all documents will be available on our iSHPA web site, too.

The HOF committee is to have seven members, one of which is the chairperson plus another six active adult members of the ISHPA in good standing. We needed two more members of the committee, so I have recently appointed Karen Wickham to join the committee. Karen has been a state champion several times and is a good person as well as a top-notch pitcher. Karen joins the other members who are Rodney Pickering, Doug Palmer, Gary Kollmann, and Kay Keskinen. We still need one more member, and I am working on filling that last position.

As far as growing the membership, I have an idea that maybe someday/some year we can implement.

Here in the Treasure Valley we have a large population that is ever-growing. My thought is to put on what I call the Treasure Valley Amateur Doubles Tournament. The doubles format would be a qualification format such that once a pitcher qualifies, we would do a high low draw (suggested by Gary Opper) and then run the tournament on a cancellation format. I think people may buy off on that, but then I also think people want to choose their own partner. I am in favor of discussing this idea with the Treasure Valley folks who are interested in implementing this concept.
